2017 ACE Hendra Risk Declaration

Event Name: 2017 ACE Young Horse Championship

Owner or person in charge of horse(s)

Full name:	
Full address (residential or business)	
Phone number	
Email	

Hendra Vaccination is not compulsory for the ACE Young Horse Championship however the ACE Group Inc. acknowledges the advice of Workplace Health and Safety Queensland, Queensland Health and Biosecurity Queensland, that vaccination is the single most effective way of reducing the risk of Hendra virus infection in horses and provides a work health and safety and public health benefit. Strategic vaccination of horses is encouraged and horse owners should discuss their individual risk with their private veterinarian.

I, _____ the owner of the horse(s) participating (described in the ACE Horse Health Declaration) herewith acknowledge full responsibility to present my horse(s) with no current Hendra vaccination. I confirm, that the presented horse(s) have not been able to contract Hendra Virus within the last 16 days.

In the case of a Hendra Virus Infection / outbreak of Hendra Virus, I confirm that I knowingly presented my horses unvaccinated and I am fully responsible and liable regarding possible infection of persons and/or horses attending the Championship and I agree to take full responsibility and will be held liable for any outcome this infection may cause for the ACE Group Inc. representatives.

Definition of non vaccinated horse:

The ACE Studbooks Inc. considers a non Hendra vaccinated horse as any horse of any age with no current Hendra Vaccination Status. Please note that foals are only covered by the mare's vaccination certificate (given the mare was vaccinated during pregnancy) up to the age of 4 month. After the age of 4 month the foal is considered not vaccinated unless a current vaccination certificate is available.

Signature(s) of owner(s) or person in charge:

_____ Date _____

Signature(s) of Parent/Guardian if owner / person in charge is under 18 years:
