

## CHANGE OF DETAILS

**Name changes:** Following years of European warmblood breeding tradition, you will find most horses are named to enable easy recognition to a bloodline and the breeder. ACE supports this by not allowing a breeder's prefix to be replaced or removed (unless providing a written agreement) and encouraging the new owner to rename with thought to the bloodline. (i.e.: progeny from the stallion Calido, names will begin with C).

**Horse Details**

Please inform us of any changes regarding brands and or micro-chipping.

<b>Name:</b>
